THE AUTHORITY OF A WOMAN

Key Scripture:
Genesis 3:1–16 (NIV)

Many view the event that took place in the Garden of Eden only through the lens of blame and brought about the fall of mankind due to disobedience to God. However, if we take a deeper look into the account of Genesis chapters 3, there is a profound spiritual dynamic that impacts God's agenda on earth even today.

One key player in this event was the woman (Eve), the bible presented the woman not just a participant in a fall but was identified by God as the primary adversary of the serpent. Genesis 3 v 13 – 15 "Then the Lord God said to the woman, "What is this you have done? "The woman said, "The serpent deceived me, and I ate..... 15 And I will put enmity between you and the woman, and between your offspring[a] and hers; he will crush[b] your head, and you will strike his heel." This proclamation from God declaring enmity between the woman with her offspring and also the serpent with its offspring,

THE AUTHORITY OF A WOMAN

reveal the unique influence, spiritual perpetual warfare, and redemptive authority God has placed within the woman.

1. The Unique Influence of the Woman: The serpent went after Eve not because she was weak, but because of her influence on Adam. Her voice carried weight in the family unit—so much so that her influence redirected the course of decision (action) of her husband affecting not only them but all of the generations of mankind.

In the reference text, the woman's (Eve) influence moved her husband to make decision that disobeyed God's command. Even though Adam knew obeying the voice of his wife (Eve) was defiance against God's command, Adam went along with his wife's decision knowingly. This is a clear example of the power of influence a woman have on those around her. As a woman, you must recognize the power of influence you carry and the responsibility of using it to advance the kingdom of God not only at home but across all the sphere of influence accessible to you.

ReFLECTION! In your family, how are you using your influence to build God's kingdom? Are you using your influence to direct your family towards actions that aligns with God's command or influencing them against the commands of God?

2. The Perpetual Spiritual War (Woman vs. Serpent): "And I will put enmity between you and the woman, and between your offspring and hers; he will crush your head, and you will strike his heel." — Genesis 3:15. The Devil is against the woman because God declared enmity between them both. The greatest threat to the devil is a woman that knows and aligns with God's Agenda. She is a weapon that would crush the head of the serpent. Dear woman, know this truth today, **YOU ARE A DIRECT THREAT TO THE DEVIL!** The woman and her offspring is a threat to the kingdom of darkness. Halleluyah!

The Battle Line is drawn!

It is a "head-for-head" battle. You are either crushing the serpent's head through obedience and prayer or the serpent is attempting to take yours. There is no middle ground or "play" between the serpent and a woman of God.

3. The Authority God placed within the woman

Take your Place in God's Divine Agenda: The era of regarding women as "second-hand" or strictly for reproduction is over.

From the beginning, there was a script written about the woman. As a woman you are the end-time strength of the kingdom of God and God has given the woman the legal and spiritual right to remove & crush the head of the serpent.

THE AUTHORITY OF A WOMAN

Watch Out For Blames

In our reference text (Genesis chapter 3), God's judgment fell on everyone involved in the fall (Adam, Eve & the serpent). The chapter relays how Adam and Eve did not take responsibility for their actions of disobedience but rather pointing fingers at each other. We cannot truly take our place when we apportion blame on others, putting at them at risk of God's judgement. Rather, we must take responsibility for our calling and our assignment and refuse to shift blame on anyone or anything. Nothing should come in between us and our divine assignment in God's grand agenda.

Emotions are not Weaknesses

Society oftentimes label the woman's emotions as a weakness, but in the realm of the spirit, these emotions are powerful forces of faith that brings to fulfillment God's divine agenda on earth. All over the scriptures we see examples of women who engaged their emotions to birth God's purpose on earth.

- **The Persistence of Mary:** While the male Apostles returned to fishing or fled in confusion, Mary Magdalene stayed at the tomb, weeping and searching. Because of her emotional investment and persistence, she was the first to receive the news of the Resurrection of Jesus.

- **The heart of Intercession:** Women pray with their whole hearts. Even the tears of a woman are powerful tools in intercession. In these "end times," the sensitivity and heart of a woman are required to birth God's purpose on earth.

CONCLUSION

Dear Kingdom woman, you are not a bystander in the Kingdom of God; you are an advantage. Your agenda is to crush the head of the serpent (the enemy). Make use of your influence to advance God's kingdom on earth. You are not weak, you are God's end-time army. God has given you the authority to crush the head of the serpent and all its offspring. This is your True Purpose!
