

THE KEYS OF THE KINGDOM

THEME SCRIPTURE

""Matt 16 v19(Amp); "I will give you the keys (authority) of the kingdom of heaven; and whatever you bind [forbid, declare to be improper and unlawful] on earth will have [already] been bound in heaven, and whatever you loose [permit, declare lawful] on earth will have [already] been loosed in heaven."

In the kingdom of God, there are keys to different doors. These keys signify authority, access and power to rule over different nations and kingdoms, subduing them under the rule/dominion of the kingdom of God. Every born-again child of God has been given this authority. Hallelujah! This implies that every believer has the authority and power to enforce the reign, operation and establishment of the kingdom of God here on earth. With these keys (authority), we must subdue the governments of this world with its policies and laws under the authority of the kingdom of God. Halleluiah!

THE GREATEST IN THE KINGDOM

In the kingdom of God there are hierarchy and this means that there are those who are referred to as least in the kingdom and those called the greatest in the kingdom. There are those who hears God's word but do not act on it, they rather disobey the word and teach others to so, these are the least in the kingdom.

The greatest in the kingdom of God are the doers which are those who make sure God's kingdom and His will is established on earth. These ones rule and become the greatest in the kingdom of God where God the Father is sovereign. Matthew 5: 19

In IWMI, with this understanding of the kingdom we do the will of the Father, establish the kingdom of God and all the resources and riches of the kingdom are deployed unto us as we establish the kingdom of God on earth. Riches and resources of the kingdom such as healing, angelic protection, provision, etc. are supplied because we are of the kingdom of God.

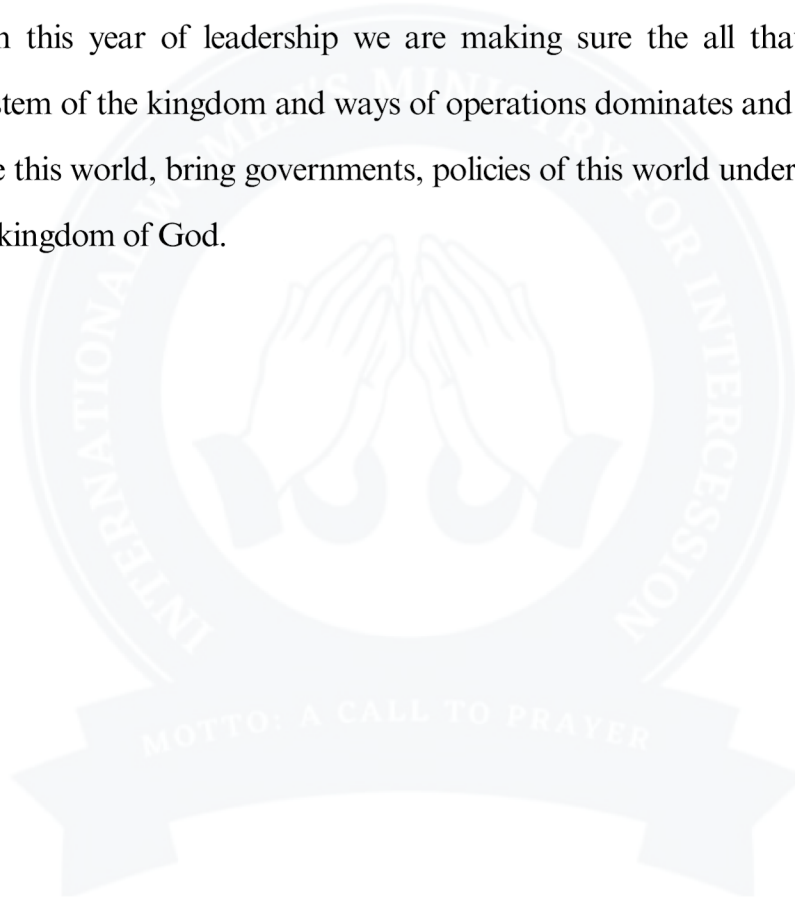

THE KEYS OF THE KINGDOM

God is the king of kings and we are kings & priests in the kingdom of God. He has given us authority to dominate the world and establish the kingdom of God on earth. Halleluiah!

As intercessors we must also remember and we have been assigned angels, and as you advance in your work in the kingdom, angels are made available based on the level you are and the assignment you are carrying out.

In conclusion, in this year of leadership we are making sure the all that is written of the kingdom, the system of the kingdom and ways of operations dominates and rule the earth. It is time to dominate this world, bring governments, policies of this world under the obedience and dominion of the kingdom of God.
