

UNDERSTANDING THE KINGDOM (2)

THEME SCRIPTURE

" Mathew 4 v17 "From that time Jesus began to preach, saying, "Repent, for the kingdom of heaven is at hand."

OUR RESPONSIBILITIES

In the part 1 of this teaching we established that a Kingdom refers to a territory ruled by a King, it consists of It's people, their ruler and is often unique in its principles or ways of life.

The Kingdom of God is a domain (territory) where God dominates as King & ruler. It is important to understand that there are different kingdoms. Christianity is a kingdom that Jesus came to establish here on earth.

Some of Our responsibilities in the Kingdom are:

TO FIGHT FOR THE KINGDOM

The fight we have here on earth is a kingdom fight. Ephesians 6:12. For we are not fighting against flesh-and-blood enemies, but against evil rulers and authorities of the unseen world, against mighty powers in this dark world, and against evil spirits in the heavenly places. So as intercessors, it is our responsibility to root out and pulldown, destroy and throw down everything that is not in line with God's will for the kingdom here on earth. Destroy in the place of prayer the agenda of the kingdom of darkness.

Our duty is to make sure that in this physical realm, the kingdom of God rules and dominates in every system and sector of the world.

TO ENSURE GOD'S WILL IS ESTABLISHED

Jesus prayed in the book of Matthew 6:10 that the will of God be done on earth as it is in heaven. He ensured that God's will was established at the time he walked on earth, we have also been given the same assignment. In the kingdom there are territories and governments, and every sector is represented in a kingdom that is why we must take over. He ensured that God's will was established at the time he walked on earth, we have also been given the same assignment

UNDERSTANDING THE KINGDOM (2)

In the kingdom there are territories and governments, and every sector is represented in a kingdom that is why we must take over. We ensure God's will is established in every sector. For example, "politics" the church has left politics for the world, but this is not the will of God because he has given us dominion and so, we should not allow the kingdom of darkness to rule over us.

To Populate the Kingdom

We have been given the ministry of reconciliation, to reconcile men to God. 2 Corinthians 5:19 that God was reconciling the world to himself in Christ, not counting people's sins against them. He has committed to us the message of reconciliation. We have been called to populate the kingdom of God and depopulate the kingdom of darkness.

As intercessors, we do this by taking our place as priests, praying over the unsaved, the ministers of the gospel, and all those called to function as part of the end time army including the elements of the earth, that they all fulfil their assignment.

In conclusion, Lets all have a kingdom mind-set and work towards ensuring that God's will is done per time per season here on earth, therefore we'll keep on building and planting in the place of prayer.
