

ROLES OF ANGELS – PART ONE

Key Scriptures: "Are they not all ministering spirits sent to serve those who will inherit salvation?"
Hebrews 1:14

Have you ever wondered about the difference between angels and the Holy Spirit?

Many believers understand that angels exist, but they do not fully understand their purpose, assignment, and relationship with God's divine plan on earth. Others know about the Holy Spirit but do not comprehend His unique role in every believer .

God has created different beings for different assignments. Angels have their place, and the Holy Spirit has His place. Neither can replace the other because each one operates according to God's divine order, The Holy Spirit is the highest personality on earth. He is not an influence, a feeling, or a force. He is the spirit of God Himself present with us on earth; the helper, the promise of the father now lives in us . Angels are servants, ministering spirits and messengers of God carrying out every word of God. On the other hand, the Holy Spirit is the presence of God living within us.

In this study guide, we would answer the following ; will journey through Scripture to understand:

Who are angels? Why God created them? Their responsibilities, how they differ from the Holy spirit and insight into the role of the Holy spirit on earth today!

WHO ARE ANGELS?

Angels are created spiritual beings, created by God before mankind. They are not human beings, and they do not die like humans. They are eternal beings created to serve God's purposes. Angels were created primarily to worship God and to carry out His instructions. Psalm 103:20 "Bless the Lord, you His angels, who excel in strength, who do His word, heeding the voice of His word. "Angels operate according to God's command. They do not act independently , they are messengers and servants sent to accomplish His will.

ROLES OF ANGELS – PART ONE

WHY DID GOD CREATE MAN?

Before we can understand angels and their existence, we must first understand God's purpose for creating mankind. God created the earth as an extension of His Kingdom. Everything that exists in heaven — God's values, principles, worship, and authority — was meant to be replicated on earth through mankind.

Man was created to:

- ❖ Represent God's Kingdom.
- ❖ Exercise dominion.
- ❖ Worship God.
- ❖ Carry out His will on earth.

This is why God calls us Kings & Priests because he gave man dominion over all the earth as his representatives (god of the earth) and serve as priest in worship to God. 1 Peter 2:9 "But you are a chosen generation, a royal priesthood, a holy nation, His own special people..." When Jesus came announcing that the Kingdom of God is at hand." Jesus came to restore what was lost through Adam and to bring God's Kingdom reign back on earth.

Originally, angels were created by God and were good. However, when Satan rebelled against God, some angels followed him in rebellion, because of their disobedience, they were removed from God's presence. These fallen angels became what we know as demonic spirits. The key difference is, Angels remain servants of God while demonic spirits operate against God's purposes. Even though they are both spiritual beings, they operate under different authorities.

Conclusion

Are you a true representative of God on earth? Are you subject to God's authority or walking disobedience and rebellion to God's rule. Our responsibility is to bring about the reign of God's kingdom on earth. Reflect on this! Are you on the lord's side obeying his will or are you working contrary in disobedience thereby aligning with demons in rebellion against God's will on earth. Journey with us to the second part of this guide as we understand angels and the Holy spirit of God.
