

THE POWER OF DIVINE UNITY PART 2: THE DANGER OF ISOLATION

Theme scripture: Matthew 18:19–20

In the first part of this study, we established the understanding that Our God is a God of unity, this was exemplified during the creation of man GEN 1:26, where God said 'let US (God the father, God the son and the God the Holy spirit) make man in our image'. Interestingly this implies that man is a product of unity as such he must work in unity and not in isolation.

Unity in itself is a powerful force, this is a kingdom principle as seen in **Mathew 18:19-20**

Jesus said "Again I say unto you, that if two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of my father which is in heaven. For where two or three are gathered together in my name, there am I in the midst of them".

So much power is made available when believers pray, work, and live in unity. Consider this example; A goat is weak compared to a lion. However, when goats walk together as a unified group, one strong lion cannot defeat them. No matter how strong you are, if you are isolated, you are weak.

The Principle of Collective Strength

It is important to know that the enemy copies his ways of operation from God's principles, again we see this in the principle of unity.

Witches and spirits never operate alone; demons do not operate in isolation, everything in the demonic realm comes together in unity.

THE POWER OF DIVINE UNITY PART 2: THE DANGER OF ISOLATION

The devil understands the strength of unity; he cannot withstand your unified force, but when you approach him as an isolated individual, you have already failed.

Sadly, the body of Christ is yet to realize this truth and maximize the power of Unity, somehow the body of Christ often functions as isolated individuals.

As intercessors in IWMI our domain is Nations and Kingdoms, we pray for nations, you cannot do this as an individual. How can one person pray effectively for an entire nation alone?

Unity is a tool and strategy we must understand. We are dealing with Principalities, Powers, Rulers of darkness and Spiritual wickedness. These are not singular entities. Throughout the Bible, we see them called by many names and operating in different places.

Deuteronomy 28:7b gives a biblical Proof of unified demonic attack, it tells us that demons "will come in one way"—not just one category of demons, but different types united, and from one direction.

But what does God promise? He will scatter them—they will flee in several ways. God scatters them because their unity is their strength. By breaking their unity, God neutralizes their power.

The Devil's Strategy: Isolation and Blindness

The devil has blinded Christians' eyes to prevent them from seeing the importance of unity. Some people have died because no one prayed for them—there weren't enough hands lifted in intercession. They perished due to isolation.

The Enemy's Whisper: "Don't Tell Anybody"

The devil's favorite tactic is to say: "Don't tell anybody. Keep it to yourself." He is exceptionally smart, working to pull you away from others so he can deal with you as an isolated individual.

THE POWER OF DIVINE UNITY PART 2: THE DANGER OF ISOLATION

How can you do the work alone? Even Jesus, who came to fulfill His own destiny, could not work in isolation. Imagine if Jesus had not made disciples—His death and everything He accomplished would have amounted to nothing without those who continued His work.

The Imperative of Working Together

While it's not inherently wrong to work as an individual, in this kingdom assignment, we must all work together—that is part of our strength. Learning to work in unity is critically important. Never find yourself isolated—it is not from God. This is our Father's work, and especially in intercession; it doesn't need one person; it needs people coming together in unified purpose.

Conclusion: The Call to Unity

The body of Christ must awaken to this truth: our strength lies in our unity, and our vulnerability lies in our isolation.

The enemy's primary strategy is to isolate believers, blind them to this truth, and defeat them individually. Our response must be to deliberately pursue unity, work together in intercession, and recognize that we are stronger together than we could ever be alone.

This is not optional—it is essential for fulfilling our kingdom assignment.
