

THE POWER OF DIVINE UNITY: UNDERSTANDING TRUE ONENESS

Theme scripture: Genesis 1:26 NIV
Then God said, "Let us make mankind in our image, in our likeness, so that they may rule over the fish in the sea and the birds in the sky, over the livestock and all the wild animals, and over all the creatures that move along the ground."

Unity vs. Uniformity: Understanding the Difference

Unity is fundamentally different from uniformity. Consider school uniforms: students from School A and School B may wear identical uniforms, yet they come from different homes and families. Similarly, a husband and wife might wear matching outfits without truly being in oneness. Gathering on a platform like Zoom represents uniformity, but not necessarily unity.

Biblical Foundation of Unity and The Divine Pattern of Unity

In Genesis 1, God created everything through His word. Yet when it came to creating humanity (verse 26), Trinity came together in unity. This is why Jesus declared that true worshipers must worship in spirit and truth because humanity was created with a spiritual personality, birthed from the foundation of unity. The spiritual dimension of our creation explains why God requires unified worship. We were made in the image of a unified Godhead.

Jesus prayed one of the most profound prayers in John 17:22: "...May they be one as we are one." Significantly, Paul pleaded with the church, saying "I plead to you brothers and sisters, in the name of our Lord Jesus Christ, that all of you agree with one another in what you say and that there be no divisions among you, but that you be perfectly united in mind and thought". This emphasis reveals something crucial: **unity makes God, God**. Without unity, God cannot fully extend His love.

The enemy fully comprehends the mystery of unity, which is why demons never work in isolation. In Exodus 32:30 The Bible reveals the exponential power of unity: one can chase a thousand, but two united can chase ten thousand, not the expected two thousand. This mathematical impossibility demonstrates that unity operates on a supernatural principle.

Before building anything lasting, unity and oneness must be established. Without these foundational elements, nothing of eternal significance can be achieved on earth.

The Essential Question: Are You Unified with God?

The Tower of Babel: When God Recognized the Power of Unity; Exodus 11

The account of the Tower of Babel provides a striking illustration. Though the builders were not believers and worked against God's purposes, their unity made them so powerful that God Himself took notice. This is the only biblical account where God expressed concern about human capability, not because of their technology or resources, but because of their oneness.

God's response was to confuse their languages, scattering their unified force. This reveals that **unity is one of God's key principles**, so powerful that even when misapplied, it can accomplish seemingly impossible things.

THE POWER OF DIVINE UNITY: UNDERSTANDING TRUE ONENESS

Why The Enemy Fights Unity

Understanding unity's power explains why the devil actively fights against it. Anything that comes together in God's kingdom poses a threat to the enemy's plans. This is why:

- Marriages are under constant threat (two becoming one)
- Ministry partnerships face opposition
- Church unity is so difficult to maintain

The devil knows that when believers unite, the generated power becomes unstoppable.

It's very critical that we understand and always keep in mind that Unity is a universal principle, it transcends Christianity. The world system recognizes unity's power, success in any arena requires people to come together in oneness.

God Himself tells us that without unity, we cannot reach Him.

What God Hates: Discord Among Believers

Proverbs 6:16-19 lists seven things God hates, with the seventh being an abomination: a person who sows discord among brethren. Discord literally stops the hand of God from moving. When we create disunity, we hinder divine intervention and block the fulfillment of our assignment.

To achieve oneness among ministers of the gospel and within our communities, we must actively delete thoughts and actions that cause discord.

Amos 3:3 reveals a profound truth: "Can two walk together without agreeing?" The answer is no.

Walking together means working together in oneness and shared purpose, because unity exists for fulfilling purposes.

As intercessors, when we pray together using guided prayer points, we declare our agreement. Each time someone leads prayer, they affirm their alignment with what's written. This should come to our consciousness: **we are agreeing that unity should exist in this place.**

The Assignment of Unity in the Church

Ephesians 4:11-13 describes how the Lord appoints servants to different offices and positions, all meeting to embrace and build up the body of Christ in oneness. Though they receive different gifts, they share the same purpose in their assignment.

The Spiritual Power of Agreement

Matthew 18:19-20 provides an eternal truth: this is not merely a physical matter but a spiritual one with eternal relevance. When believers gather in unity and oneness of purpose, asking anything according to His will and purpose, it will come to pass.

The gathering isn't about uniformity; it's about oneness of purpose. When we align our requests with God's will and come together in true unity, heaven responds.

In conclusion, unity is not optional for us as intercessors seeking to fulfill their divine assignment.

The call is clear: as intercessors we must carry out our assignment in oneness of heart, following every instruction in unity, and consciously maintaining the bond of peace and unity in order to establish God's will.
