Special Message from the Executive Director

2025 has been a landmark year for IWMI, one marked by prophetic precision, strategic intercession, and undeniable global impact.

Guided by the divine mandate of SPEED and INSTRUCTIONS, we rose in obedience, carrying out national prayer assignments, strengthening discipleship, building leadership capacity, and engaging in continuous fasting programs that strengthened the Body of Christ and advanced the Kingdom agenda across nations.

This year, we witnessed God's mighty hand in our midst. He enlarged our influence, expanded our reach, and confirmed His word with testimonies from families, nations, and the global Church. Truly, 2025 has been a year where the Kingdom advanced with power.

I want to extend heartfelt appreciation to our Executives and every leader who served honourably, faithfully, and sacrificially throughout this year. Your diligence ensured that the assignment remained alive, vibrant, and deeply rooted in the will of God.

To every intercessor in IWMI, thank you for standing in the gap, for upholding the altars with strength. Your prayers, obedience, and consecration have made 2025 a victorious year for the Kingdom.

As we prepare to step into 2026, I decree that the Lord will establish you in every good work. May this coming year bring divine settlement, ease, accuracy in instructions for every assignment committed to your hands. You will function with greater authority, and walk fully in God's ordained purpose for your life.

God counts on us and by His grace, we will not fail.

With love and honour,
Best Eiterebhe
Executive Director, IWMI

PROPHETIC DIRECTION FOR 2025

Overview

In 2025, the Kingdom of God advanced with unprecedented authority. The Lord established His reign across sectors like media, health, governance, families, education, and nations (Hebrews 10:7; Romans 5:17).

This year was marked by the release of two divine tools: SPEED and INSTRUCTIONS.

The Spirit of God moved swiftly throughout the year, accomplishing mighty works. Likewise, the kingdom of darkness attempted to operate with speed. This required IWMI intercessors to rise with urgency, accuracy, and unwavering obedience. Victory in 2025 depended not only on prayer, but on timely response, that is, showing up at the place of spiritual assignment the very moment heaven sounded the call.

As we drew closer to the coming of Christ, 2025 proved to be a spiritually sensitive year. Intercessors acted without delay, hesitation, or procrastination. We wielded speed as a weapon of light and ensured that the will of God prevailed across nations.

What We Experienced in 2025

- We functioned as God's strength and instruments throughout the year.
- The Lord granted us access and spiritual keys to nations.
- Seeds sown in 2024 manifested into harvests in 2025.
- Every loophole was sealed; we stood as gates enforcing God's will.
- The name of the Lord was lifted globally like the flag of a victorious nation.
- Doors resisting divine purpose were pulled down.
- God used us in unusual dimensions.
- We operated not by human wisdom, but by Spirit-led instructions.
