# APPRECIATION

We are thrilled to report that IWMI has continued to make significant strides in fulfilling its mission of gathering praying women to intercede for the advancement of the gospel and the body of Christ. Over the past year, we have seen our ministry spread its wings to different parts of the globe, reaching women from various cultures and backgrounds.

We would like to express our heartfelt gratitude to God for the countless testimonies, growth, progress, exploits, and increase that we have witnessed throughout this year. It is truly a testament to His faithfulness and the impact of our collective prayers and intercession.

As we reflect on 2023, our year of Eternal Relevance, we are filled with gratitude for the opportunities we have had to impact lives, advance the gospel, and strengthen the body of Christ. None of this would have been possible without the support and prayers of our intercessors worldwide. We are deeply thankful for their unwavering commitment and generosity, which have played a significant role in our success. IWMI Intercessors have displayed exceptional dedication and exemplified a spirit of discipline in championing the Father's will on earth.

Through our dedicated team of executives and leaders, we have been able to equip intercessors for the work of the ministry. Their tireless efforts, day, and night have been instrumental in ensuring that our vision becomes a daily reality. We are grateful for their unwavering commitment and their ability to lead by example.

Looking ahead, we are excited about the future and the continued growth and impact of IWMI. We remain focused on our mission and vision, and we believe that with God's guidance, the next year will be even more fruitful and transformative.

To God be the glory for all that He has done in and through IWMI.

# FULFILLMENT OF PROPHEESIES IN THE YEAR OF ETERNAL RELEVANCE

## 2023

Our Year of Eternal Relevance

## PROPHECY

Our Assignment for  
Year 2023

- Year 2023 is a crucial year, abstractly different from the previous Y2022. For the 1st Quarter of the year 2023, a lot of lives will be lost. Why! Not because of evil but because they lack relevance in Gods agenda. This will happen because the coming of Christ is bear. Therefore every believer must be connected to a grace , not just by attending church but connected to the church with relevance and to a strong Grace as covering. Anyone without a strong covering may not survive Y2023. However, unbelievers will be saved because of the appointed time for their salvation .
- Why are all these happening because the coming of Christ in near. In Y2023 believers including us in IWMI can no longer pray for everyone ,we are to pray for unbelievers because we are their protection & for those believers that are relevant in Gods agenda with strong reasons .
- The lord will be rewarding consistency in 2023. Therefore as intercessors, emergency prayer will not work, because you need prayers you decided to join meetings will no longer be a shortcut to answered prayers. Every prayer will now be based on strong reasons & grounds of relevance in God's agenda.
- Altars have been built in several places. Things that have not happened before will happen in Y2023,there is a change in the atmosphere. It is important to secure your place in the kingdom with your works.
- Also instruct your family members to make themselves relevant in the kingdom. If you love your family, advice your family to be under a strong covering.
- For us in IWMI, this is why we must understand the times for the days are evil. We must rearrange ourselves. In Y2023,nothing will be hidden,everyone will now be aware of what you do even in your private lives, everything about you will be made opened not because you like it but because the TIME HAS COME!
- For IWMI as a ministry the time has come ! For the body of Christ things will no longer be hidden again. There is an explosion. Things that do not matter before will now matter! Just has the father announced Jesus' identity. The Identity of the Church will be made known/ announced in the Y2023.
- For us in IWMI ,Strength has been made available for us to carry out the assignment in the year 2023. Everything we do will be by the Spirit.
- IWMI is God's first born, separated, dedicated and chosen by God has his end time weapons to fulfill his will. Hallelujah!
